# THE INTERNATIONAL SUMMER SCHOOL FOR STUNNING LOCATIONS

## OUR LOCATIONS

OUR UNIVERSITY OF OXFORD CAMPUS IS SET IN ONE OF ENGLAND'S MOST ICONIC CITIES, SURROUNDED BY HISTORIC COLLEGES, WORLD-CLASS MUSEUMS, LIBRARIES, AND LIVELY CAFÉS—AN INSPIRING BLEND OF TRADITION AND MODERN STUDENT LIFE.

OUR NEW UNIVERSITY OF ST ANDREWS CAMPUS SITS ON SCOTLAND'S STUNNING EAST COAST, WHERE MEDIEVAL STREETS MEET SEA VIEWS. JUST OVER AN HOUR FROM EDINBURGH, IT OFFERS A UNIQUE MIX OF HISTORY, BEAUTY, AND ACADEMIC EXCELLENCE.

## WELCOMING, SAFE LOCATIONS

### UNIVERSITY OF OXFORD

The world's most famous university.

Founded in 1714, our University of Oxford campus is located in the heart of historic Oxford. Set within 26 acres of award-winning gardens and woodland, the grounds include a lake, on-site sports fields, and a magnificent orchard.

Students can shop and socialise in the extensive range of trendy shops and buzzing cafés that make up the city centre.

The University of Oxford is one of the leading and most famous universities in the world. Oxford has educated a wide range of notable alumni, including 28 prime ministers of the United Kingdom and many heads of state and government from around the world.

Airport transfers are included to and from London Heathrow. London Heathrow is the third largest airport in the world by international passenger traffic, and operates regular flights for most destinations worldwide.

## UNIVERSITY OF ST ANDREWS (NEW)

Scotland's No.1 University

The University of St Andrews is one of the most historic and scenic universities in the world. Set on Scotland's east coast, its ancient buildings, cobbled streets, and sea views create an inspiring setting for learning and discovery.

Known as the spiritual home of golf, St Andrews blends tradition with academic excellence. It's just over an hour from Edinburgh and its international airport, with regular links across the UK and beyond.

Consistently ranked among the UK's top universities, it recently placed 1st in Scotland and 2nd nationally. The university is known for academic rigour and strong student support.

St Andrews is also rated among the UK's safest towns, with 24-hour pastoral care to support student wellbeing.

Edinburgh Airport offers direct international flights, making travel to St Andrews smooth and convenient.

## ACADEMIC STUDY

Each morning you will immerse yourself in one academic subject of your choice, with three hours of focused study, expanding your knowledge and skills in a supportive, engaging environment. The subjects on offer are:

- ✓ English Language (Basic to Proficient)
- ✓ Academic English with Creative Writing
- ✓ Intensive English
- ✓ IELTS Exam Preparation
- ✓ Academic English with Study Skills
- ✓ Study Skills (Pre IB)
- ✓ Global Leadership
- ✓ Global Entrepreneurship
- ✓ Study Skills (Pre IB)

Classes take place in a friendly team environment - you'll feel valued and supported throughout. Teachers are responsive to students' needs, starting sessions with goal setting, and ending with reflection on outcomes.

## ENGLISH LANGUAGE

English is our shared language at ISSFT, with no more than 10% of students selected from any one nationality and all classes and activities conducted in English.

Formal English classes are taught at three different levels;

1. **Basic A1-A2**
2. **Independent B1-B2**
3. **Proficient C1-C2**

Students will be assessed on the first day to ensure they are placed at the appropriate level.

Students work in small groups to build confidence and fluency in real life scenarios. You'll develop skills in thinking, reading, writing, listening and speaking in English. At the end of the programme, you'll get a personalised report detailing your strengths, the progress you've made and the areas you need to do more work on.

Available at: ✓ St Andrews ✓ Oxford

## ACADEMIC ENGLISH WITH CREATIVE WRITING

### C1-C2

This class is for high school students who want to improve their creative writing skills whilst studying influential works of literature. Students will explore the creative writing process by delving into themes such as plot, setting, character development, visual description, point of view, imaginative language, and emotional appeal.

#### Learning outcomes include:

- ✓ Developing writing and comprehension skills in fiction, poetry, life writing and scriptwriting
- ✓ Finding your own unique literary style and writing voice
- ✓ Improving grammar and writing style
- ✓ Building overall confidence in the understanding and use of the English language

Available at: ✓ Oxford

## INTENSIVE ENGLISH

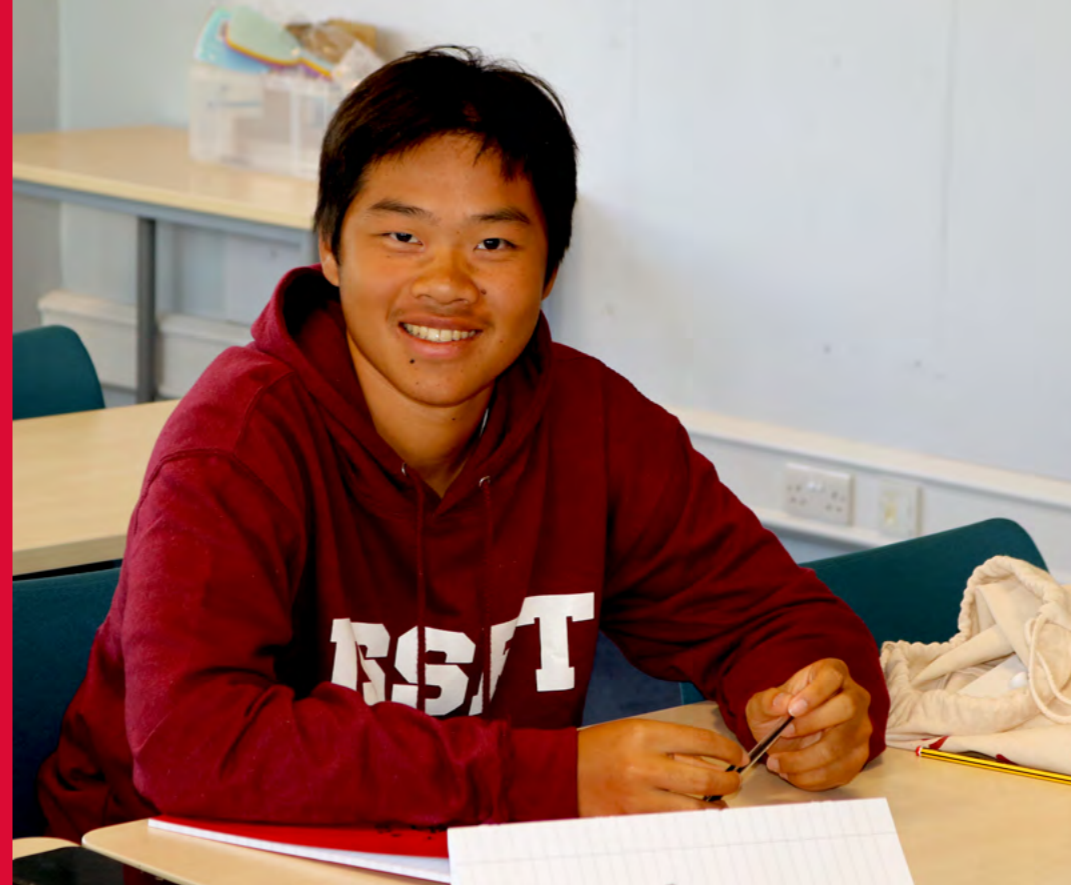

### A1-B2

Sessions are conducted in a full English immersion environment and designed to promote proficient use of grammar, vocabulary, pronunciation, speaking, listening, reading, writing and conversational English.

#### Our classes include:

- ✓ Project orientated lessons requiring students to present information to the class using their spoken language skills
- ✓ Reading from modified texts and learning various strategies to assist with comprehension
- ✓ Develop analytical skills to interpret literature and images
- ✓ Writing daily, practising grammatical structures and learning new vocabulary. (Students will write a variety of personal narratives, descriptions, reports, poems, and creative fiction)

Available at: ✓ Oxford

## IELTS EXAM PREPARATION

### B1-B2

Sessions are taught in a full English immersion environment, focusing on grammar, vocabulary, pronunciation, and the four key skills—speaking, listening, reading, and writing—while equipping students with strategies to succeed in the IELTS exam.

#### Our classes include:

- ✓ Targeted practice in IELTS Academic and General Training exam tasks
- ✓ Reading a variety of academic and real-world texts while applying proven comprehension strategies
- ✓ Developing analytical skills to interpret data, charts, and arguments effectively
- ✓ Writing daily, with practice in essays, reports, and task-based writing exercises reflecting IELTS exam requirements
- ✓ Regular speaking practice through presentations and discussions, to build fluency and accuracy
- ✓ Listening activities using authentic recordings to improve comprehension, note-taking, and test-taking strategies

Available at: ✓ St Andrews

## ACADEMIC ENGLISH WITH STUDY SKILLS

### C1-C2

This course is designed for high school students who wish to enhance their academic English proficiency and develop the study skills required for success in both secondary and higher education. Through engagement with a variety of texts and tasks, students will strengthen their reading, writing, listening, and speaking skills while also acquiring effective strategies for note-taking, critical analysis, organisation, and independent research.

#### Learning outcomes include:

- ✓ Developing strong academic writing and comprehension skills across essays, reports, and presentations
- ✓ Expanding vocabulary and improving grammar for formal and academic contexts
- ✓ Building effective study habits, including time management, revision, and exam strategies
- ✓ Gaining confidence in understanding and using English in both academic and real-world situations

Available at: ✓ St Andrews

## STUDY SKILLS / PRE IB

This class is designed for you if you're starting the International Baccalaureate (IB), Diploma or GSCE exams after the summer. Lessons cover time-management, planning a workload, essay writing, presentation skills and exam preparation.

With specific reference to the IB, we'll discuss requirements for the extended essay, CAS and theory of knowledge.

#### Learning outcomes include:

- ✓ Mastering essential techniques for future study
- ✓ Gaining confidence in applying these techniques to new projects and exams
- ✓ Enjoying the learning process without feeling overwhelmed
- ✓ University Preparation
- ✓ Critical analysis skills

Available at: ✓ Oxford

## GLOBAL LEADERSHIP

This class introduces the study of economic, social, political and philosophical thought with the aim of having a transformative effect on students' intellectual lives. It combines some of the most fundamental approaches to understanding the world around us, developing valuable skills for future studies, as well as a wide range of careers and activities.

### Learning outcomes include:

- ✓ Exploring how we make sense of the world around us
- ✓ Examining the concepts and values used in political and economic analysis
- ✓ Explaining the choices that political systems must regularly make
- ✓ Studying the effect of economics on governmental policymaking
- ✓ Developing effective presentation, research and writing skills
- ✓ Learning how to debate effectively and to see other points of view

Available at: ✓ St Andrews ✓ Oxford

## GLOBAL ENTREPRENEURSHIP

A great class for budding entrepreneurs or aspiring business people, this course is also ideal for anyone interested in debate, problem solving and leadership.

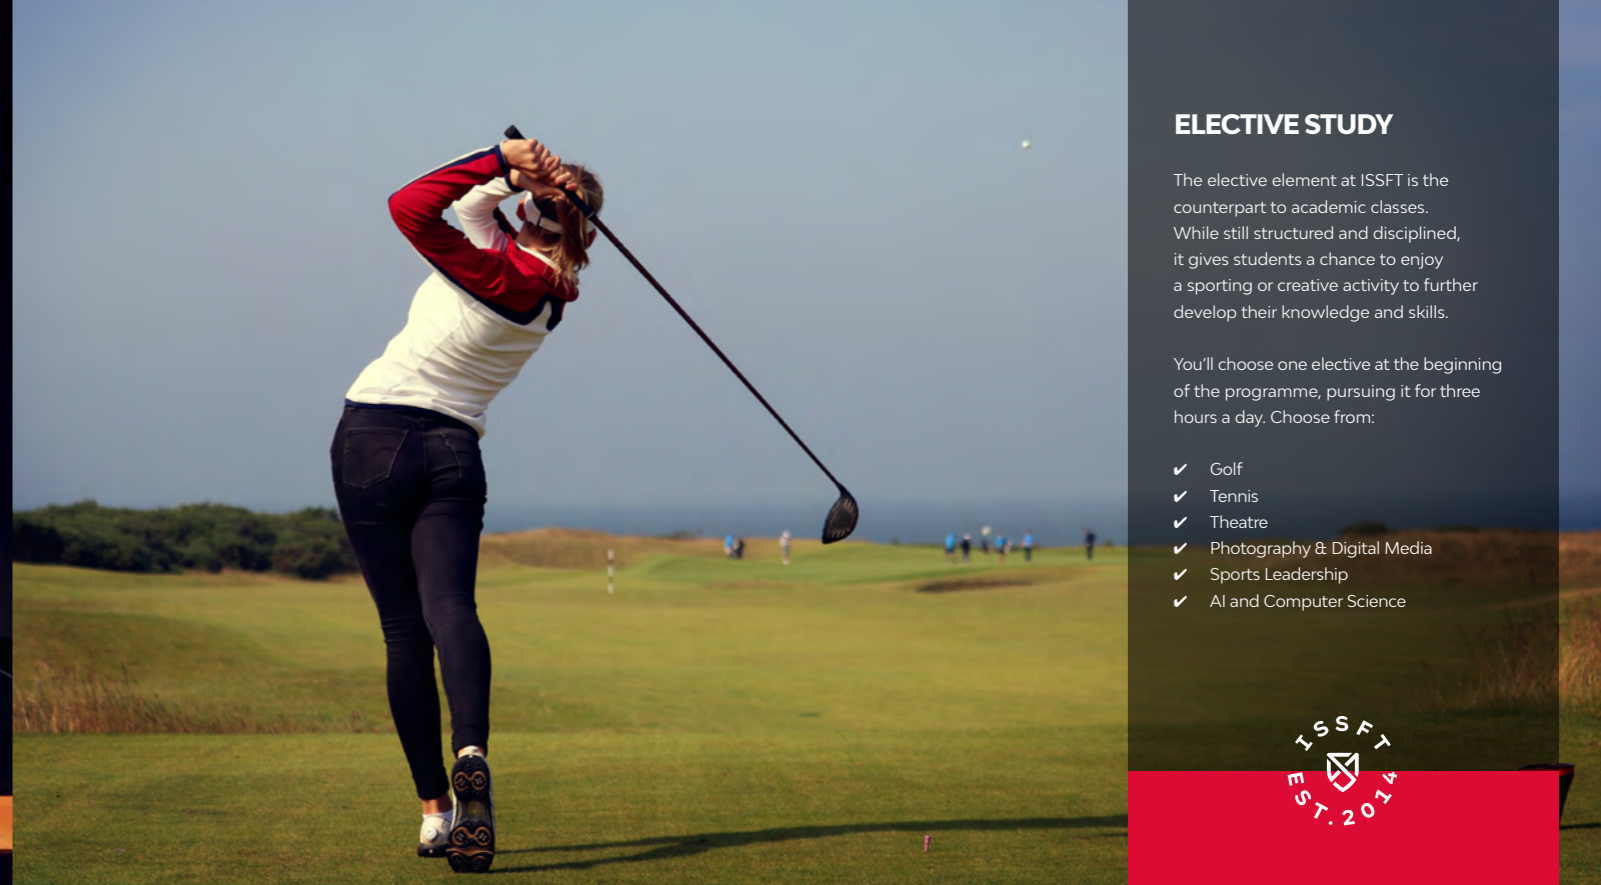

The structure is hands-on and practical. Students suggest their own ideas and then use them to explore commercial concepts like product development, business planning, competitive advantage, customer demographics and marketing. Issues around social responsibility and environmental impact will be discussed, as well as financing and networking.

### Learning outcomes include:

- ✓ An understanding of project management, strategy and teamwork
- ✓ Presentation skills that can be applied to university and job applications
- ✓ Creative thinking on a global scale
- ✓ Understanding the relationship between technology and the modern economy
- ✓ Learn more about the innovation process

Available at: ✓ St Andrews ✓ Oxford

# THE INTERNATIONAL SUMMER SCHOOL FOR **SPORTS AND ART**

## ELECTIVE STUDY

The elective element at ISSFT is the counterpart to academic classes. While still structured and disciplined, it gives students a chance to enjoy a sporting or creative activity to further develop their knowledge and skills.

You'll choose one elective at the beginning of the programme, pursuing it for three hours a day. Choose from:

- ✓ Golf
- ✓ Tennis
- ✓ Theatre
- ✓ Photography & Digital Media
- ✓ Sports Leadership
- ✓ AI and Computer Science

## GOLF

Our exclusive golf camp introduces teenagers, regardless of their ability, to some of the world's most interesting and famous courses whilst providing specialist tuition to improve their game (and handicap if applicable).

### Our classes cover:

- ✓ Golf tuition from our PGA qualified Golf Coaches who are renowned specialists in junior golf coaching
- ✓ For Beginners, we offer a perfect introduction to golf. Our PGA coaches teach all the basics, from chipping and bunker shots to the importance of etiquette and the rules of the game
- ✓ For Intermediate to Advanced players, our specialist coaches evaluate and work with students on an individual basis to improve their game with the aim of reducing their handicap. Lessons cover swing improvement, short game, distance control and mental focus

Available at: ✓ St Andrews

## TENNIS

Our flexible tennis programme welcomes players of all abilities, encouraging every student to improve their skills, fitness, and match strategy. As with all sports at ISSFT, the focus is on teamwork, personal growth, and enjoyment. Students benefit from expert coaching delivered by LTA-certified professionals and have access to a variety of indoor and outdoor courts, featuring different playing surfaces to enhance their development and adaptability.

### Learning outcomes include:

- ✓ Improved technical ability and game understanding
- ✓ Greater focus, concentration, and coordination
- ✓ Personal evaluation with tailored improvement plans
- ✓ Enhanced fitness, agility, and endurance
- ✓ Tactical awareness and match-play strategy
- ✓ Practice on a variety of playing surfaces

- ✓ Preparation for competitive performance

Available at: ✓ St Andrews ✓ Oxford

## THEATRE

Our theatre class is inclusive and open to students of all ages, levels and experience. It's perfect for anyone with a serious interest in theatre, but equally beneficial to those who may just benefit from improved confidence, communication and presentation skills.

Students work as a group to learn about different types of theatre and how they reflect the context of the cultures and ages that produced them. Theory is complemented by hands-on work culminating in a Summer School production.

### Learning outcomes include:

- ✓ Improved technical ability and theoretical understanding
- ✓ Skills development
- ✓ Experience in contemporary performance
- ✓ An appreciation of forms, practices and traditions in theatre

Available at: ✓ Oxford

## AI AND COMPUTER SCIENCE

If you're into computer science, general science or mathematics, or you're interested in game design and app development, this coding class is for you.

The course covers the fundamentals of coding, theory, language and animation. You'll work on a range of projects, gaining an understanding of STEM subject areas for future study and career opportunities. The class will develop problem solving, teamwork and communication skills.

### Learning outcomes include:

- ✓ Ability to plan and write code
- ✓ Development of problem-solving, logic and analytical skills
- ✓ An introduction to Python, CSS and HTML programming languages
- ✓ An Introduction to Data Science
- ✓ Design and application of games, apps, robotics and virtual reality

Available at: ✓ St Andrews ✓ Oxford

## SPORTS LEADERSHIP

This class focuses on leadership through the medium of sport, teaching principles and developing skills which will have positive outcomes both on the playing field and in the wider world of work and study.

The course develops self-confidence and ability through active indoor and outdoor pursuits, with access to a wide variety of sporting facilities within a setting of beautiful British countryside. You'll develop leadership skills through teamwork, communication and goal-setting.

### Learning outcomes include:

- ✓ Increased confidence and resilience
- ✓ Better teamwork and communication skills
- ✓ Improved planning and organisational skills
- ✓ Increased self-motivation

Please note: Activities will vary between campuses. Please contact admissions for details.
