**VIRTUAL COURSES**

# THE INTERNATIONAL SUMMER SCHOOL FOR **LEARNING NEW SKILLS**

## OUR SCHOOL **WORLD-CLASS LEARNING**

ISSFT was born from an admiration of the international school and Baccalaureate system. We are passionate about working with young people of different cultures, to spark their imagination and inspire them for the future.

Through our unique curriculum, we encourage intellectual curiosity and support our students to develop a healthy sense of independence and self-esteem.

## **NOW YOU CAN JOIN IN FROM ANYWHERE**

Our personalised virtual workshops are an easy way to learn new skills and join our international community from anywhere in the world.

Each course is designed for teenagers up to the age of 18 and has been developed by a team of teachers and educational experts using the highest quality, real

world information and educational pedagogy.

### PRICE INCLUDES:

- ✓ Initial consultation with student
- ✓ Personalised lesson plans to meet your specific educational requirements
- ✓ Downloading of all resources and bespoke videos
- ✓ Access to a secure, student portal account
- ✓ Lessons and Test (where applicable)
- ✓ Debrief and personalised action plan
- ✓ Graded Completion Certificate for personal portfolio
- ✓ Become part of the ISSFT global network
- ✓ Discount for multiple course bookings
- ✓ Discounted Summer School rate

Once you purchase your chosen course you will be given access to your portal account. A member of our team will be in touch to discuss the next steps.

## APPLYING TO UNIVERSITY

Applying to university is one of the most important decisions that you will make in your lifetime. But how do you know what universities are really looking for? What makes an ideal candidate, and how can you prepare an application that gets you noticed? Our virtual course will help you get a head start and create an application that highlights your special talents, unique skills and experiences; and ultimately enable you to stand out from the crowd.

### Learning outcomes include:

- ✓ Learn how to navigate the application system for a specific region (US, UK, EU, CA, AU)
- ✓ Review case studies for university applicants
- ✓ Identify what makes a strong candidate for a particular program
- ✓ Research admission tests requirements for selective programs
- ✓ Receive university advice to assist with creating a competitive application
- ✓ Write a UK Personal Statement, US Common App Essay or EU Motivation Letter

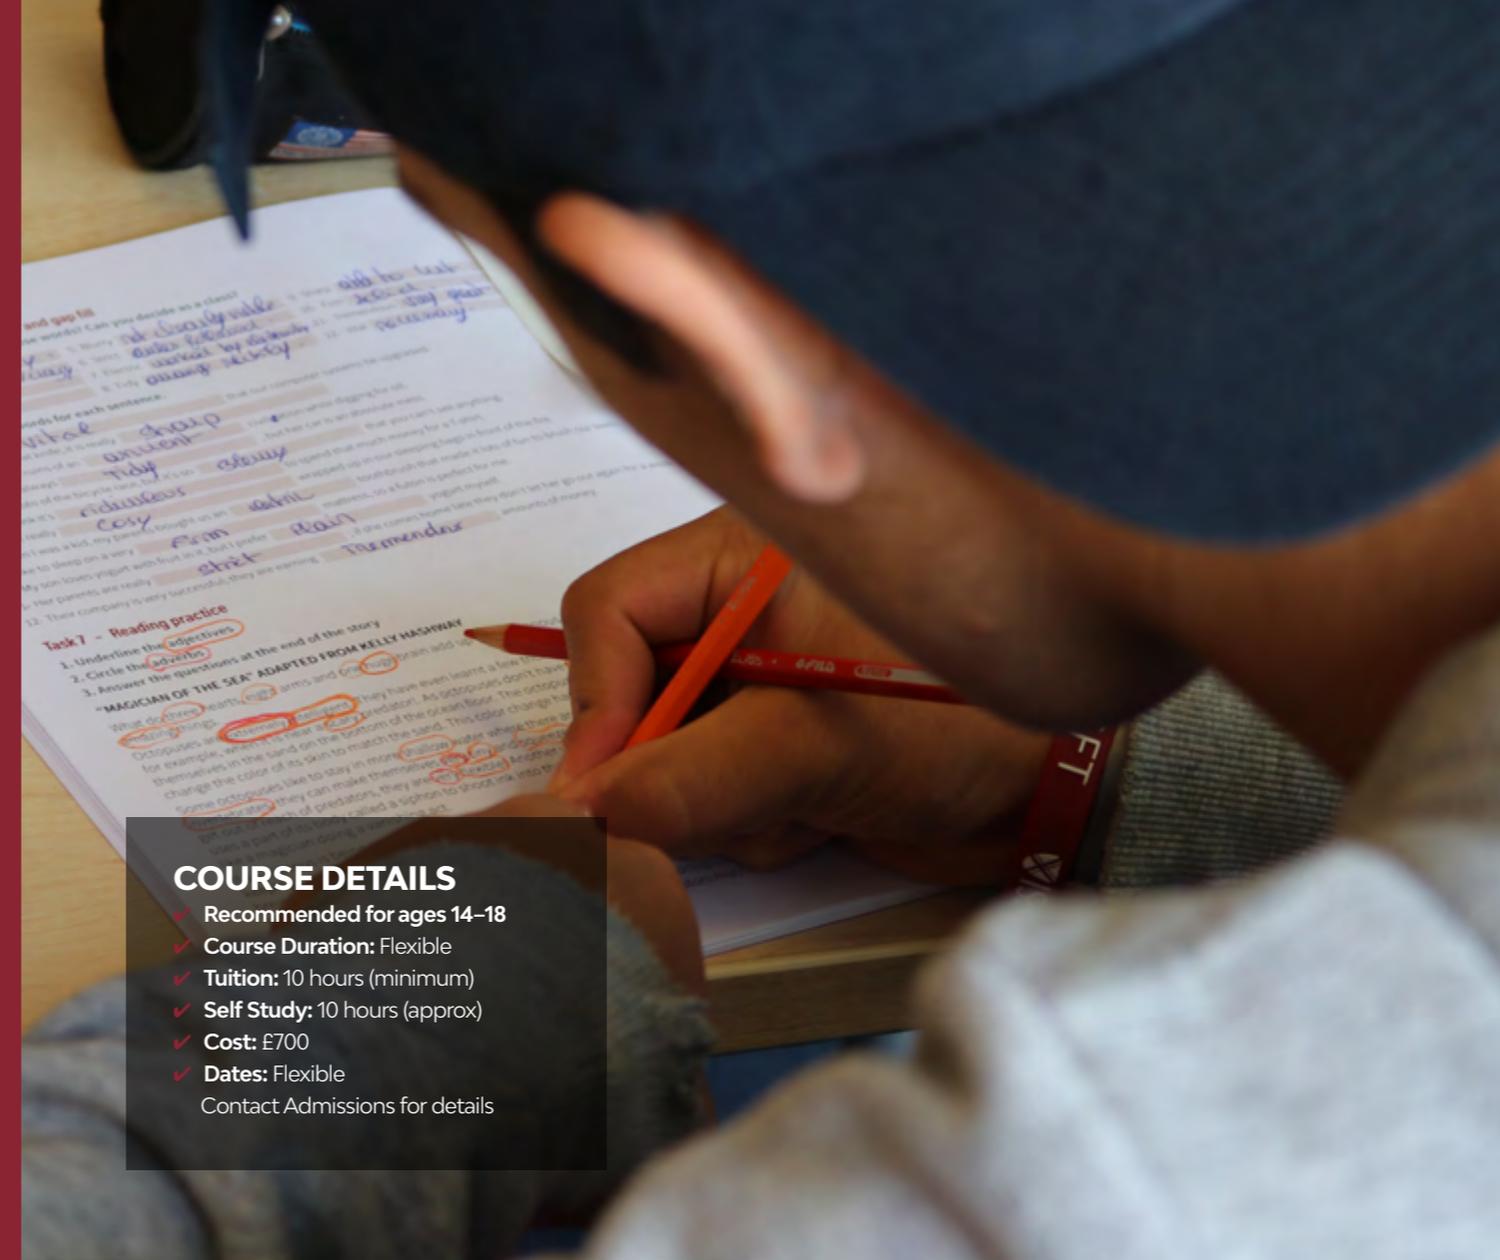

### COURSE DETAILS

- ✓ Recommended for ages 14–18
  - ✓ Course Duration: Flexible
  - ✓ Tuition: 4 hours (minimum)
  - ✓ Self Study: 6 hours (approx)
  - ✓ Cost: £550
  - ✓ Dates: Flexible
- Contact Admissions for details

### COURSE DETAILS

- ✓ Recommended for ages 14–18
  - ✓ Course Duration: Flexible
  - ✓ Tuition: 10 hours (minimum)
  - ✓ Self Study: 10 hours (approx)
  - ✓ Cost: £700
  - ✓ Dates: Flexible
- Contact Admissions for details

## IB EXTENDED ESSAY

This class is designed to support high schoolers who are getting ready to complete a final year report such as the IB Extended Essay. Students will develop their understanding of research methodologies, how to work to a timetable and the strategies required to demonstrate thorough understanding of their topic.

### Learning outcomes include:

- ✓ Learn how to create an outline
- ✓ Develop your writing style
- ✓ Break down the assignment
- ✓ Be on the way to creating a sound first draft
- ✓ Conclusion writing
- ✓ Research and referencing
- ✓ Self-reflection

## CAREER & UNIVERSITY EXPLORATION

With multiple career paths and universities worldwide, how do you narrow your choices? Navigating the career and university search can be a complex process so it is important to start early when planning for your future. Get your checklist ready and explore some valuable tips to find that 'right fit' for you.

### Learning outcomes include:

- ✓ Review university entry requirements and recommended high school courses
- ✓ Consider relevant questions when conducting the university search
- ✓ Learn to navigate Higher Education resources for specific regions
- ✓ Explore degree and university options globally (USA, UK, EU, Canada, Australia)
- ✓ Create a personalised university spreadsheet to assist with your research
- ✓ Evaluate and understand the variables used to assess university rankings
- ✓ Identify experiences that can enhance your profile for a particular field of study
- ✓ Design a plan of action and timeline when planning for university applications

### COURSE DETAILS

- ✓ Recommended for ages 13–18
  - ✓ Course Duration: Flexible
  - ✓ Tuition: 4 hrs (minimum)
  - ✓ Self Study: 6 hrs (approx)
  - ✓ Cost: £550
  - ✓ Dates: Flexible
- Contact Admissions for details

### COURSE DETAILS

- ✓ Recommended for ages 14–18
  - ✓ Course Duration: Flexible
  - ✓ Tuition: 4 hours (minimum)
  - ✓ Self Study: 5 hours (approx)
  - ✓ Cost: £550
  - ✓ Dates: Flexible
- Contact Admissions for details

## MEDICAL ASPIRATIONS & DESTINATIONS

Have you always aspired to become a doctor, veterinarian or dentist? Are you destined for medical studies but want a few extra tips to ensure you are on the right track? Start the process early and focus on building a profile that will increase your confidence and prepare you for applying to Medicine.

### Learning outcomes include:

- ✓ Identify meaningful experiences to support a medical application
- ✓ Explore virtual learning options that offer valuable takeaways
- ✓ Learn strategies to prepare for medical admissions tests
- ✓ Consider different pathways for studying Medicine
- ✓ Gain tips on medical entry requirements and the UCAS application
- ✓ Brainstorm and draft your own Personal Statement for Medicine
- ✓ Speak to universities about selective admissions criteria
- ✓ Connect with medical students to receive personal insights
- ✓ Prepare and practice for the medical interview process

## PREPARING FOR LEADERSHIP

You have what it takes to lead, but would you like some tips on how to enhance your profile for the career or university search? Learn some helpful tools to further develop your unique characteristics. Take initiative and embrace your leadership potential now.

### Learning outcomes include:

- ✓ Explore opportunities that will make you stand out
- ✓ Design a portfolio for a potential field of study
- ✓ Consider creative ways to get involved in your community
- ✓ Identify characteristics of a successful leader
- ✓ Build a strong CV/resume highlighting your valuable experiences
- ✓ Prepare for an interview marketing your unique brand
- ✓ Speak to professionals about key skills for recruitment
- ✓ Create an elevator pitch to promote yourself

### COURSE DETAILS

  - ✓ Cost: £500
  - ✓ Dates: Flexible
- Contact Admissions for details

### COURSE DETAILS

- ✓ Recommended for ages 14–18
  - ✓ 1:1 Consultation: 1 hour
  - ✓ Testing: 100 minutes over 3 sessions
  - ✓ Debrief: 1 hour
  - ✓ Cost: £175
  - ✓ Dates: Flexible
- Contact Admissions for details

## THE INTERNATIONAL SUMMER SCHOOL FOR ACADEMIC EXCELLENCE

## MORRISBY PROFILE CAREER GUIDANCE

If you are interested in learning more about yourself, career aspirations and potential university interests, consider signing up for the Morrisby Profile. Through this scientific profiling assessment, students will receive personalised advice on their abilities, personality, interests and motivation. Learn more about your unique characteristics and make well-informed choices for your career and university search.

- ✓ Participate in a pre-interview to discuss your interests and prep for the assessment (60 minutes)
- ✓ Complete the online profile through a series of activities assessing: verbal, numerical, spatial, abstract and mechanical reasoning (approximately 100 minutes)
- ✓ Receive personalised feedback about your results and set some achievable goals (60 minutes)
- ✓ Receive lifetime access to the Morrisby so if your interests change, you can complete the assessment again free of charge.

## ENGLISH LANGUAGE

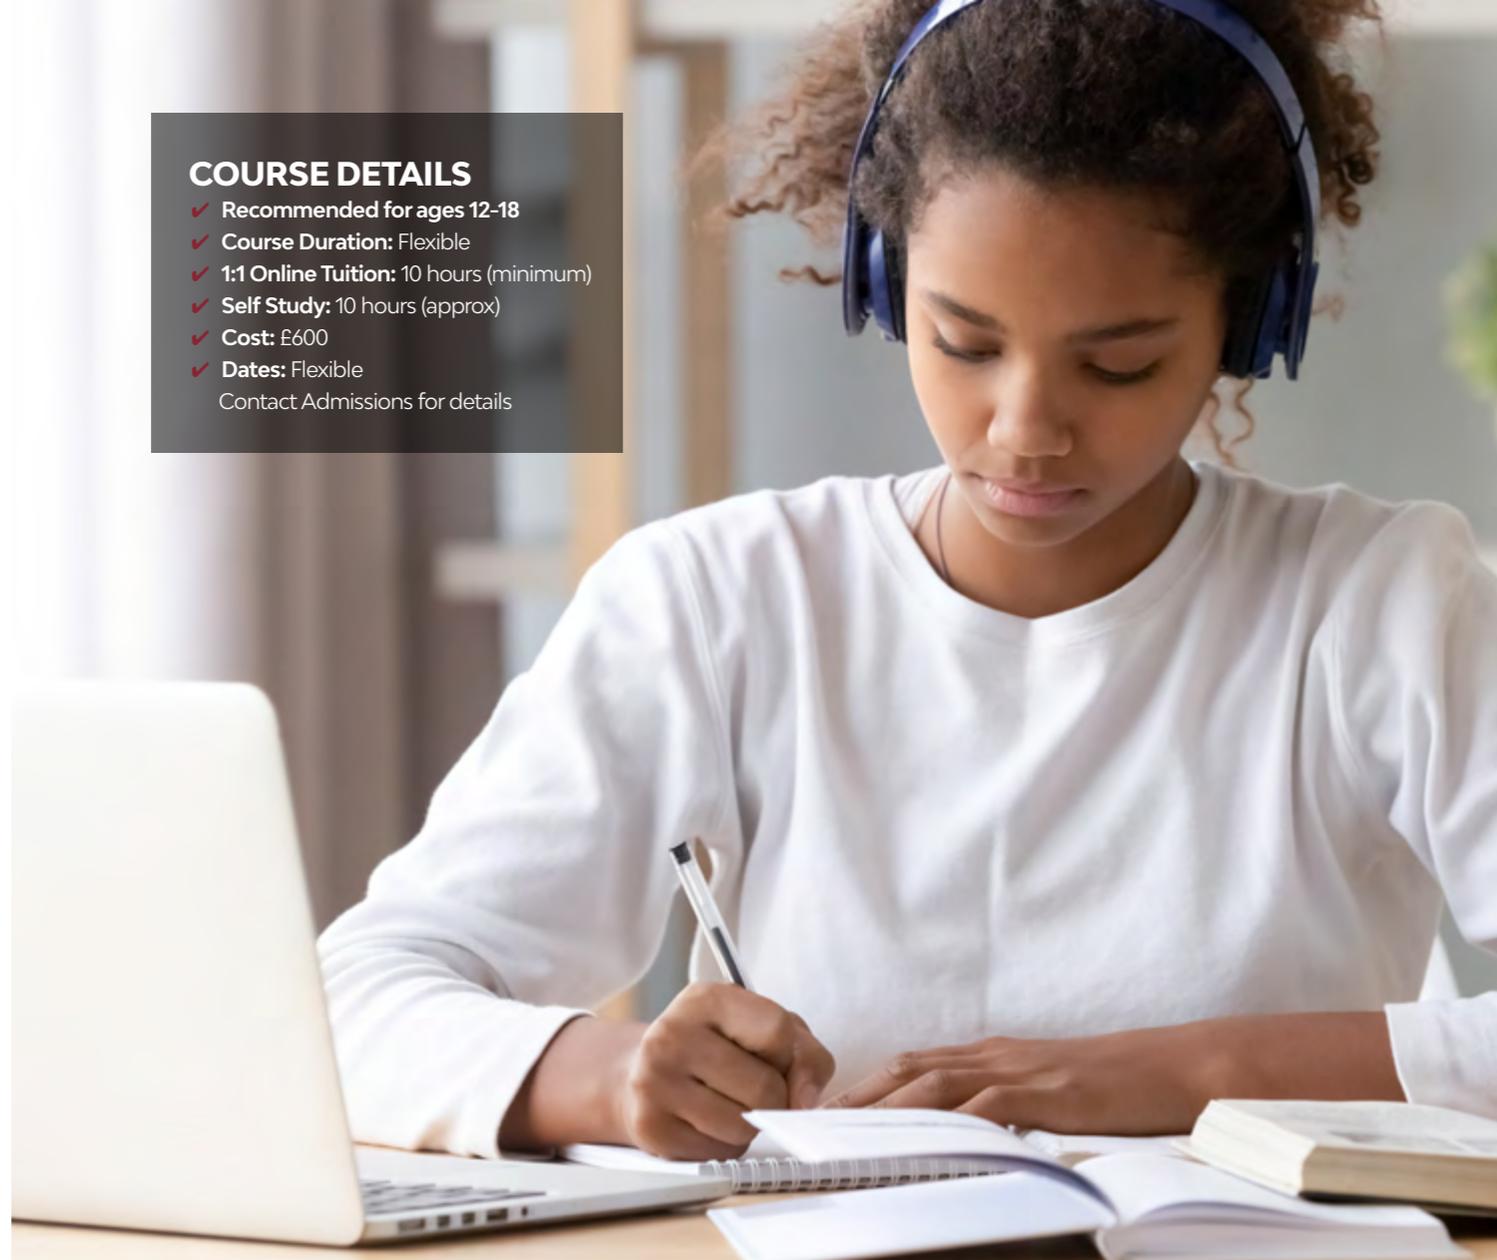

We offer bespoke English language lessons to students ages 12 to 18 to help them develop their overall comprehension and boost their confidence when communicating in English. Lessons will cover grammar, vocabulary, pronunciation, speaking, listening, reading, writing and colloquial English. Students will have their individual level assessed and then classes are customized to fit their specific requirements. For students who wish to focus on a particular test such as IELTS, we can also offer this option.

### Learning outcomes include:

- ✓ Achieve greater fluency and confidence in spoken English
- ✓ Read and understand a wide range of texts
- ✓ Learn to write using correct grammar, punctuation and spelling
- ✓ Build your vocabulary
- ✓ Develop listening skills
- ✓ Practice for the IELTS examination (if required)

### COURSE DETAILS

- ✓ **Recommended for ages 12-18**
  - ✓ **Course Duration:** Flexible
  - ✓ **1:1 Online Tuition:** 10 hours (minimum)
  - ✓ **Self Study:** 10 hours (approx)
  - ✓ **Cost:** £600
  - ✓ **Dates:** Flexible
- Contact Admissions for details

## APPLYING TO BOARDING SCHOOL

**NO MATTER WHERE YOU ARE  
LOOKING TO GO IN THE WORLD, WE  
CAN HELP.**

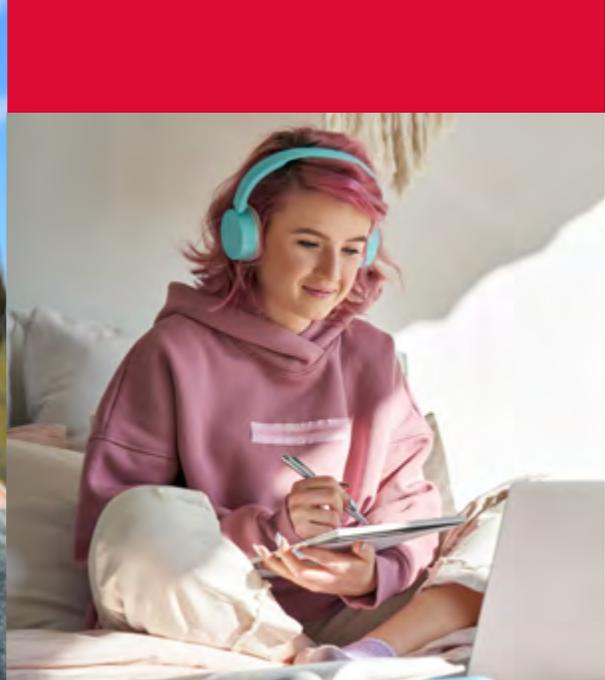

Working with our trusted partners in Basel, Switzerland. We will refer you to one of the leading experts in the field. Our goal is to find the right fit for your child. Personalised service includes assistance with the application process as well as guidance on entrance requirements. We can also arrange guided tours of local boarding schools during the summer if you require.

Contact Admissions for details.
